EXAM ADMINISTRATION PROCEDURES

Administration Overview for the Remote Testing Option

Only Exam Sites who completed the Exam Site Registration Form and selected the Remote Testing Option may use these procedures and deliver the BACE remotely. Sites who completed the Site Registration Form and select the Live Testing Option must use the [Exam Administration Procedures for Live Testing](#).

The Site Coordinator should use this checklist as a working document to assist in planning and executing the BACE. It is strongly recommended all personnel involved in administering the BACE meet and review these exam administration procedures as a team. This section covers the following procedures:

- Coordinating Exam Events
- Knowledge Exam Administration
- Practical Exam Administration
- Closing Out Exam Events

Coordinating Exam Events

A Site Coordinator manages these procedures. The Site Coordinator should take steps to prepare the candidate for the exam event. The following procedures serve as a guide in coordinating the BACE for Remote Testing.

Exam Site Registration & Approval
