Ordering Process

Exam Sites should complete a BACE Order Form annually unless there are a sufficient number of previously purchased exams in their account. The Order Form may be completed multiple times a year to order exams and exam retakes as needed.

Exam Sites should complete the Order Form **at least four weeks** in advance of the expected exam date. If circumstances prohibit meeting the deadline, please contact Biotility at BACE@research.ufl.edu and we will attempt to accommodate your preferred exam date(s).

Exam Sites who wish to administer the remote version of the BACE should navigate to the [BACE Exam Site Registration and Ordering](#) website and complete the Order Form. Exam Sites registered for the Remote Testing Option may only order remote exams.

Updates to the information entered in the form (for example changes to physical address or quantity of exams ordered) may be made using the UPDATE form provided at the Exam Site Registration and Ordering website.

Payment Method Options

Choose between three payment methods: Online with Credit Card or PCard, Check, or Purchase Order (PO). If the online option is selected, Exam Sites will receive an email with a link to make the payment. If check or PO is selected, Biotility will email the Exam Site an invoice. Note fees are **not** collected immediately. Please refer to the Exam Fees for a full price list.
