Exam Site Registration Process

Biotility requires Exam Sites to renew their Exam Site Registration Form annually. The Site Coordinator should complete the Exam Site Registration Form **at least four weeks** in advance of the expected exam date. If circumstances prohibit meeting the deadline, please contact Biotility at BACE@research.ufl.edu and we will attempt to accommodate your preferred exam date(s).

Exam Sites who wish to administer the remote version of the BACE should navigate to the [BACE Exam Site Registration and Ordering](#) website and complete the Exam Site Registration Form.

Exam Site Registration Form Options

1. Select New or Returning Exam Site

- **Returning Exam Site** – All previously registered Exam Sites should select this option to begin registration.
- **New Exam Site** – All new Exam Sites should select this option to begin registration.

2. Select Remote Testing Option

Registering for the Remote Testing Option permits candidates to take both the Knowledge and Practical portions of the BACE from their home or any other location of their choice. Exams are remotely monitored by Honorlock. *If you need assistance deciding between Remote and Live Testing, please contact Biotility.*
