EXAM SITE REGISTRATION PROCESS FOR COMPUTER-BASED TESTING

Biotility requires Exam Sites to renew their Exam Site Registration Form annually. The Site Administrator should complete the Exam Site Registration Form **at least six weeks** in advance of the expected exam date. If circumstances prohibit meeting the deadline, please contact Biotility at BACE@research.ufl.edu and we will attempt to accommodate your preferred exam date(s). Restrictions and fees may apply.

Exam Sites that wish to administer the computer-based version of the BACE should go to the [BACE Exam Site Registration and Ordering](#) website and complete the Exam Site Registration Form.

Exam Site Registration Form Options

1. Select New or Returning Exam Site
 - **Returning Exam Site** – All previously registered Exam Sites should select this option to begin registration.
 - **New Exam Site** – All new Exam Sites should select this option to begin registration.

2. Select Computer-Based Testing Option

This option must be administered at an Exam Site with live proctors. The complete exam is taken in a computer lab or a standard classroom using the candidates' personal computers. *If you need assistance deciding between Computer-Based and Paper & Pencil Testing, please contact Biotility.*
